Fore(In)Sight Influence Expands

Courtney Lord Shares Her Experiences

Courtney Lord, born and raised in Dublin, Georgia, currently serves as a Family Service Provider for Horizons Family Services which is an agency that is contracted through the Department of Family and Children Services. She also is currently enrolled at Valdosta State University where she is earning her Master's Degree in Social Work. Her self-guided curriculum has largely focused on the topic of child maltreatment and how to provide trauma-informed care to the population. She will graduate in the spring of 2020. Furthermore, Courtney has found joy in working with children. As part of her graduate studies, Courtney is completing a two year practicum or internship with Dr. C. Curtis Holmes, a Licensed Psychologist, at Stepping Stone Child Advocacy Center. Courtney became involved with Fore(In)Sight when she began her internship with Dr. Holmes in the Fall of 2018 and has enjoyed being a part of the group.

Can you come? It would help to hear from you ahead of time about whether you have space on your calendar. You can respond by E-mailing sandralewis@foreinsight.org or by calling (478) 474-3869 or (478) 319-2027. If you need to get a map to find the church you can try Mapquest on the Internet. If you need a map mailed to you, contact our office, with the phone numbers above. [Our Web Site now has this notice, so you can encourage your friends to check it and come, too -- www.foreinsight.org](http://www.foreinsight.org)
